Interesting Services on Sunday Held by Market Street Methodist Episcopal Congregation—Young White Man Arrested on Serious Charge.

PETERSBURG, Va., October 11.—Julius Brown, a negro, was shot and killed by some unidentified person Saturday night on the Hickory Road, in Chesterfield County, a short distance from Etrick. The weapon from which the shot was fired was a pistol. An inquest was held Sunday morning and the jury rendered a verdict that Brown came to his death at the hands of a person unknown.

Great Rally Day.
Yesterday was a great day at the Market Street M. E. Church. It was rally day for both church and Sunday school, and there were handsome decorations in each—palms, ferns and flowers. The exercises in the school consisted of songs, a solo by Miss Florence Butler, and talks by the pastor, Rev. George H. Spooner, D. D., and several of the members. As an evidence that the Sunday school is for all, regardless of race, a basket of flowers was presented to Miss Catherine Johnston Wright, the youngest member of the school, enrolled in the cradle class, and was also presented to J. P. Williamson, the oldest member. Mr. Williamson was one of the organizers of the church and Sunday school and has been a regular attendant of the Unit-sevener years. The school register yesterday was 390, with an attendance of 85 per cent. Two great congregations filled the church at the morning and evening services, a noticeable feature of which was the presence of so many men. The evening service was one of music and sacred song.

Descriptions of them were sent out by Chief Hagland, but nothing has been heard from them. Hill says nothing.

He noticed that a man had been following him from the corner of Wythe and Chestnut. The man ran up to him and pulled him with a blackjack, inflicting a severe scalp wound. He fell with the bag of money under him and thus did not lose

**Various Forms
Of Headache**

"It is necessary in order to treat headaches properly to understand the causes which produce the affection," says Dr. J. W. "Physicians cannot even begin the treatment of a disease without knowing what causes give rise to it, and we must remember that headache is to be treated as a disease, not as a symptom. We must not only be particular to give a remedy intended to counteract the cause which produces the headache, but we must also give a remedy to relieve the pain until the cause of the trouble has been removed. To answer this purpose Anti-kana-ia Tablets will be found a most convenient and satisfactory remedy. One tablet every one to three hours gives comfort and rest in the most severe cases of headache, neuralgia and particularly the headaches of women."

When we have a patient subject to regular attacks of sick headache, we should caution him to keep his bowels regular, for which nothing is better than "Actoids," and when he feels the least sign of an oncoming attack, he should take two or three tablets. Such patients should always be instructed to carry a few Anti-kana-ia Tablets, so as to have them ready for instant use. These tablets are prompt in action, and can be depended on to produce relief in a very few minutes. Ask for A-K Tablets.

TO-DAY'S BEAUTY SUGGESTIONS

Face powder simply covers up an unattractive complexion and leaves no lasting benefits. Those who have tried a simple surmum face lotion find it much better, as it removes skin discolorations, such as freckles and tan, and makes the skin smooth, white and velvety. This lotion is made by dissolving four ounces of surmum in one-half pint hot water, then adding two teaspoonfuls glycerin. This complexion beautifier does not rub off or show like powder, and gives a more refined appearance. It removes both shininess and sallowness, rapidly giving the skin a permanent healthy, youthful appearance.

An especially fine shampoo for this weather can be had at trifling expense by dissolving a teaspoonful of canthox in a cup of hot water. Pour slowly on scalp and massage briskly. This creates soothing, cooling lather that dissolves and removes all dandruff, excess oil and dirt. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on a glossy richness of natural color, also a softness which makes it seem very much heavier than it is. After a canthox shampoo arranging the hair is a pleasure.

EXPLOSION CAUSES SCARE

Occurs While Secretary Daniels Is Speaking at Dedication of Wake's New \$250,000 Courthouse.

(Special to The Times-Dispatch.) RALEIGH, N. C., October 11.—As Secretary of the Navy Josephus Daniels began his address this afternoon in connection with the dedication of the Wake County \$250,000 courthouse, there was a loud explosion that caused many people to spring to their feet with genuine fright. It proved to be an overcharged flashlight, held close under an overhanging balcony. There was no damage and the address was not interrupted except for some undertone expressions of "German submarine," "torpedo," and the like. Secretary Daniels protested against blind following of precedents by the judiciary.

Chief Justice Walter Clark advocated the building of a new \$5,000,000 State Capitol building as necessary if the State is to keep pace with counties in progress as exemplified in public buildings. The present Capitol building he pronounced thoroughly inadequate.
